WORKING WITH PICTURES

CONNECTING WITH THE CLIENT'S INNER CHILD

- The child self can appear at any time
 - Change in posture, facial expression, 'hiding', change in voice
 - Notice it
 - The language of the level
-
- Set pieces enable the client to allow the child a voice
 - Working with pictures captures the imagination
 - Can be the adult watching the child – “she”...
 - The client may go straight into the child self – “I”...
 - May move between the two
